Conventions

“TATD” Texas Association Teachers of Dancing, Katy, Tx- June 23-26. 10 summer hours

This is a fantastic convention that more closely mimics a more serious summer intensive, but still provides the exciting atmosphere of a convention. 4 days of classes, a floorshow (performance opportunity, not competition), and a banquet where scholarships are presented to the next year’s convention and to seniors headed off to college. A great opportunity because it provides much more in-depth instruction.

\$365 per student, due 5/1

Location: changes each year, this year Omni Houston Westside (where Dance Olympus used to be)

Requirements: Must be 10 years old or entering 5th grade

Dress code: leotard, tights and cover up for every day, every class. Tanks, booty shorts, leggings etc only allowed over leotard and only in certain classes, ballet skirt optional in ballet. Bun required for ballet. Must have all shoes- ballet, tap, jazz, contemporary, sneakers

Register by emailing MsJill@SteppinTimePAC.com

Third Coast Rhythm Project, Summer Tap Festival San Antonio, Tx- July 18-21 8 summer hours

Tap-only convention; for current Rising/Lucky/Shooting Star tappers.

4 day tap intensive includes 3 hours of class each morning with master faculty members from shows like STOMP and Manhattan Tap, a participant showcase, and faculty concert. The youth program is a small class where the kids can get to know other dancers from all around North America while getting individual attention and super valuable instruction.

\$225, register on the web

*Steppin Time Faculty available to chaperone a small number of students.

Contemporary Movement Workshop at Steppin Time July 29- August 1, 5-7pm 4 summer hours

At Steppin Time; for returning Rising, Lucky or Shooting Stars.

Miss Katie will work with the dancers each day on contemporary technique and exploring their own creative movement. The first hour of each class will be focused on technique exercises and the second hour will be filled with the art of improv and learning how to create original choreography. This workshop is perfect for anyone who is interested in contemporary or loves to make up their own dances!

\$120, register by emailing MissKatieSTPAC@gmail.com
