9:45p (estimate) End of Show

10:30p Must be cleared out of the auditorium and dressing rooms!

### Changes this season due to COVID-19:

- Audience vs Backstage: Moms are not permitted to go back and forth between the two areas. If your dancer requires your help changing, then moms must remain backstage with them (may watch dances from backstage as well).
- Backstage Area for Dancers: We will have only one group dance at a time backstage. This means dancers will not be permitted to watch each other perform as they have in the past.
- Dressing Rooms: We will not be able to utilize the backstage dressing rooms, all dancers will be in the big room across the hall. This room is significantly bigger than we have had in past showcases (more similar to the rooms used at recitals).
- Masks: Everyone must wear a mask. Dancers will keep masks on until the moment they take the stage.
- Auditorium: Reserved seating in auditorium. Also, it must be completely cleared between shows.
- Quarantine/Performance: In order to perform, the dancer must be present in all rehearsals the week of the performance unless she has been present for three of the past four rehearsals.
- Good Luck Notes for "Dance Buddy": Turn in to the front desk before January 23rd!

January 30/31 - Saturday TBD; Nothing on Sunday

Competitions - Videos to come + GroupMe
